Attention: Gerry Gerling

On behalf of Can-Cell Industries Inc. I would like to take this opportunity to thank you and the Adtel Group for the professional service and knowledge you have provided us over the past several years.

Due to your organization's competitive pricing and experienced staff you have assisted us with advancing our company forward by providing effective sales and marketing strategies using our telecommunications infrastructure.

Nutec and the Adtel Group's experience and dedication in the telecommunications market have enabled us to improve our information technologies infrastructure and reduce overall maintenance costs. It has also enabled us to move forward with new technologies and further lessen our telecommunications investment.

Once again on behalf of Can-Cell Industries Inc I would highly recommend your organization to other businesses.

Thank you,
