Dear Gary,

We at Peterbauer Bowling Supplies would like to take the opportunity to thank you and your excellent staff for providing us with a state of the art NEC Aspire phone system.

Your technicians provided our business with excellent service by integrating the programming with our computer systems' special requirements. Gary's sales expertise and product knowledge assisted in our decision to purchase an NEC phone system. It has facilitated a tremendous improvement in the communication within our office and with our clients.

I would highly recommend ADTEL and NUTEC TELEPHONES to other clients and businesses.

Yours truly,

Eleanor Nykolyshyn
